## Practical Nursing Program Student Achievement Data

The MCCC Practical Nursing Program is committed to continuous program improvement. Part of the process is to monitor the achievements of program graduates. The following data categories are used to assess overall *Program Performance Outcomes*.

- **NCLEX- PN Pass Rates:**

- Once a student has completed education/training, she/he must pass a state licensing exam to become a fully licensed practical nurse. The exam is called the NCLEX-PN.
- NCLEX stands for “National Council Licensure Exam”.
- MCCC’s goal is to be at or above 80% for all first-time test-takers.

Performance on Licensure Examination – Aggregated per Calendar Year		
Expected Level of Achievement	Year	Licensure Exam Pass Rate
The program’s most recent annual licensure examination pass rate will be at least 80% for all first-time test-takers during the same 12-month period.	2022	100% (7/7)
	2021	100% (12/12)
	2020	100% (16/16)

Performance on Licensure Examination – Disaggregated by Cohort		
Expected Level of Achievement	Month/Year of Graduation	Licensure Exam Pass Rate
The program’s most recent annual licensure examination pass rate will be at least 80% for all first-time test-takers during the same 12-month period.	December 2022	100% (13/13)
	May 2021	100% (12/12)
	December 2019	100% (16/16)

- **Program Completion Rates:**

- **Effective 2021:**

- The expected level of achievement (ELA) for 100% completion rate for the PN program is 50% of all students who begin the first nursing course and can no longer receive a 100% tuition refund for the first nursing course will complete the program within three semesters.
- The expected level of achievement (ELA) for ultimate completion for the PN Program is 60% of all students who begin the first nursing course and can no longer receive a 100% tuition refund for the first nursing course will ultimately complete the program.

Class of	Student started	Students completed in 100% (on-time)	Ultimately completing
2022	23	56.5% (13) – Dec 2022 completion	TBD

- **Pre-2021:** Defined as, “The percentage of each nursing cohort that completes the nursing program within 2 years (150% of the prescribed time)”
- MCCC’s goal is to maintain a program completion rate at or above 60%.

Program Completion – Disaggregated by Cohort		
Expected Level of Achievement	Cohort (by date of program start)	Program Completion Rate
60% of all students who began the first nursing course in the PN program will complete the program within 2 years which is 150% of the usual timeframe for the program.	January 2020	57% (12/21)
	January 2019	75% (15/20)
	January 2018	71% (17/24)
	January 2017	57% (12/21)
