

MONROE COUNTY COMMUNITY COLLEGE

MISSION STATEMENT

Monroe County Community College enriches lives in our community by providing opportunity through student-focused, affordable, quality higher education and other learning experiences. MCCC accomplishes its mission through:

- Post-secondary pathways for students who plan to pursue further education
- Occupational programs and certificates for students preparing for immediate employment upon completion
- Curriculum that prepares students to effectively communicate, think critically, and be socially and culturally aware
- Comprehensive student support services
- A wealth of opportunities for intellectual, cultural, personal and career enhancement
- Training and retraining to meet the needs of an evolving economy
- Key partnerships to enhance educational services and opportunities

VISION STATEMENT

Monroe County Community college will be recognized for our student-focused service, academic excellence, affordability, innovation, community responsiveness and student success.

CORE VALUES

These core values form our attitudes and guide our behavior:

- Student-focus
- Excellence
- Accessibility
- Affordability
- Diversity and inclusion
- Respect
- Stewardship
- Outreach and engagement
- Relevance

MCCC ASSOCIATE OF APPLIED SCIENCE- NURSING PROGRAM

MISSION STATEMENT

Monroe County Community College's AAS-Nursing Program provides an affordable, student-centered opportunity to enrich and transform lives through excellence in nursing education with a focus on effective communication, clinical reasoning and judgment, and social and cultural awareness.

VISION STATEMENT

Monroe County Community College's AAS Nursing Program will be the community's first choice for nursing education and recognized for ongoing student success and exemplary program outcomes enabled through instruction that is relevant, innovative and in the spirit of academic progression.

PHILOSOPHY

The Monroe County Community College AAS Nursing Program is built upon a framework of ethical integrity in all relationships and practices while upholding recognized standards of practice in nursing.

The curriculum ensures an interactive process of nursing education that provides learners with a basis for educational mobility.

CORE VALUES

The AAS Nursing curriculum is founded on the following core values:

- Holistic care
- Diversity and inclusion
- Patient-centered care
- Advocacy
- Culture of Safety
- Quality of Care
- Evidence-Based Practice
- Nursing Judgment
- Clinical Reasoning
- Professional identity
- Spirit of Inquiry
- Collaboration
