ATI Test of Essential Academic Skills (TEAS)

Students who plan on applying to Monroe County Community College's Associate of Applied Science Degree in Nursing program are required to complete a ATI TEAS nursing entrance exam. In order to be eligible to apply to the program, students must achieve a minimum overall score ("Adjusted Individual Total Score") of 60 on the ATI TEAS exam; ATI TEAS V results will no longer be accepted. CREATING AN ATI ACCOUNT & SCHEDULING AN EXAM

1. All students preparing to take the ATI TEAS test must create an ATI account prior to their scheduled test date. Students may create an account by visiting ATI's website at www.atitesting.com and selecting the "Create an Account" tab; follow the instructions on the screen.
2. Account creation will require a username, password, contact information, etc. You will also be asked to provide student information. Students will be asked to select a particular school. Please select "**Monroe County CC ADN**". Students only need to fill in the areas highlighted in blue and are encouraged to leave the "Non-degree seeking" box checked.
3. After creating an account, log in, and click on the "Online Store" tab located in the top right-hand corner of the webpage to register for the TEAS.
4. Once in the online store, click on select "TEAS" located in the left hand column under "Register for..."
5. On the next screen, you will need to select the state and city, and will then have the option to select a testing time and location. Students who plan on applying to the nursing program at MCCC are encouraged to select a testing time at MCCC. This will prevent the student from having to transfer in ATI transcripts if taken at another testing site.
