

TEACHER PARAPROFESSIONAL (Elementary Education)

Science/Mathematics Division

The elementary education associate of applied science degree program prepares students to provide high-quality education to children in grades K-12. This degree program prepares students for a career in education or transfer into an elementary education program at a 4 year college or university. The first two years of instruction in a bachelor's degree program in elementary education are met. Please work in coordination with your advisor and planned transfer institution to ensure transferability.
