To get started in your online course, please go to http://www.monroecc.edu/online-courses.htm to learn more about the specific course requirements and the PC/Mac compatibilities. STUDENTS ARE REQUIRED TO PROVIDE A COMPUTER. Students are required to have a laptop or a similar computer on the first day of class, and every class day, - Windows or Apple operating systems - Chromebooks/Tablets/iPads are not compatible with the MyMathLab platform. This is a pass/fail course that does not earn credits toward graduation. Currently, due to the pandemic, this is an online class. It utilizes interactive computer software and personalized on-demand assistance. Participation by the student is essential for success. Assignments and testing are administered via a web-based learning system. Students are required to access the Internet and their MCCC email to be successful in this course. (Note: MCCC offers students access to the Internet via open computer labs as well as a campus-wide wireless network.) Students should read FAQs before registering. http://www.monroecc.edu/scimath/Math%20Redesign%20FAQ.pdf	SM
