**“Every MCCC student should take  
advantage of the First Steps  
Workshop!”**

“My friend and I attended the First Steps Workshop together and I’m very glad we did! I learned valuable study skills that made my transition into college life much easier. The workshop facilitator provided lots of helpful hints and I got to meet other students. I highly recommend that every student should take advantage of the First Steps Workshop. I’m glad I did!”

*Sarah Badgley,  
former MCCC Student*
