

Hello Students!

Class Section Modality: there are three types of classes at MCCC:

Online (L)- asynchronous learning: no on-Campus requirement, no specific meeting time *(Meeting times, time or location will NOT be listed)*

Blended (B)- synchronous and asynchronous: some online/virtual component; students may be required to meet at some or all scheduled class times, face-to-face on Campus or remotely such as in a virtual classroom. Students MUST be available to meet during the scheduled times as directed by the instructor. *(Meeting times will be listed in all cases, location will only be listed if all/some part of the learning will take place on Campus- v. remotely via Zoom, Teams, or etc.)*

Face-to-face- synchronous: students are required to come to Campus for all scheduled class times. *(Meeting times and location will be listed.)*

Note: *Class modality is subject to change depending on COVID-related circumstances.*

Please contact your instructor or the division dean if you have questions regarding modality of the classes you are enrolled in for the upcoming semester.

Please visit the e-Learning site if you have questions regarding blended and/or online class formats:
<https://www.monroeccc.edu/online-learning>

Please regularly review your **MCCC email account** for important details and/changes regarding your classes.

Have a great semester!!

Best regards,

Grace B Yackee, PhD
Vice President of Instruction
Monroe County Community College

Students are required to have a laptop or a similar computer on the first day of class, and every class day, - Windows or Apple operating systems - Chromebooks/Tablets/iPads are not compatible with the MyMathLab platform. Currently, due to the pandemic, this is an online class. It utilizes interactive computer software and personalized on-demand assistance. Participation by the student is essential for success. Assignments and testing are administered via a web-based learning system. Students are required to access the Internet and their MCCC email to be successful in this course. (Note: MCCC offers students access to the Internet via open computer labs as well as a campus-wide wireless network.) Students should read FAQs before registering. http://www.monroeccc.edu/scimath/Math%20Redesign%20FAQ.pdf
