

Vaccination Requirements

Students enrolled at Monroe County Community College are not required to provide proof of immunization for general admission to the college. However, students admitted to any of the Health Science Programs require proof of a variety of immunizations. Please refer to the requirements for further detail.

If you want more information about the health program immunization requirements feel free to contact lbiggs@monroecc.edu

The National Center for Disease Control recommends that all adults comply with the following vaccination schedule:
