On Thursday 01/16/2020, students stopped by the Security office and advised that at approximately 10:55 am this date they observed Veh.#1 backing out of a parking space in front of the Z building and bump into the front of Veh.#2 which was parked next to it.

Veh.#1 then left the area without leaving a note. Neither witness had a description of the offending driver, however one witness thought that it was a female.

Officer located Veh.#1 in the 4th parking spot, second row in front of the Z front doors and took a picture of the damage with the Security phone. Officer contacted the owner of Veh.#1 and advised him of the situation and turned over a copy of this report for MCSD and insurance purposes.
