Narrative

On this date, complainant told the officer that she parked the above listed car in the parking spot just outside of the L Building, facing east. Complainant said that she parked the car at 3:00 pm, and discovered it missing at 6:30pm. She said that she has the keys in her hand, but her purse was in the car, and stated that the car was locked. Complainant did not know the plate number, and all of the paperwork is in the car. She said that she did not give anyone permission to take the car. The Sheriff's Dept. were called and complainant will be standing by to await their arrival. The officer has nothing further at this time.
