On today's date, reporting officer investigated a private property accident that had occurred on the main entrance drive and the exit from parking lot #2. Upon arrival reporting office spoke with complainant who related the following: complainant had just completed her turn into the campus and as she passed the exit portion of parking lot #2, a stop signed intersection, she was struck by a silver Subaru. Complainant commented that she saw the driver of the Subaru was on her cell phone as she rolled through the stop sign. Complainant's vehicle was struck along the rear passenger side quarter panel of her vehicle. Both vehicles stopped in the roadway. Reporting office spoke with the other driver who related that she didn't see complainant's vehicle as she came through the stop intersection. She also confirmed that she was on her phone at the time of the accident. The offending driver's vehicle sustained damage to the passenger side front bumper.

There were no injuries and no damage to campus property.
