

MCCC - Security Incident

Date: 27 Jan 2021

Time: 03:30 PM

Reporting Officer: jrschmidt

Subject: Other

Location: MCCC Main Campus

Witness: MCA Paramedic

Victim: Female

Complainant: MCCC Main Campus

Suspect: Medical Situation

Narrative:

On 01/27/2021, approximately 15:30 hours, R/O (Schmidt) was assigned to the Welch Health Education Bldg. (COVID-19 Vaccination Security) and was alerted by MCA Ambulance Paramedic that a female patient experienced an anxiety attack after taking the COVID-19 vaccination.

The victim was placed on the gurney at the MCA Medic station. The MCA Medic gave her bottled water to drink, but did not have to give an I.V fluids. After several minutes, the victim walked out of the Welch Health Education Bldg. under her own power and advised the MCA paramedic that she experiences anxiety attacks periodically during doctor visits/vaccinations.

Case Status: Closed
