NARRATIVE

On this Date, (2/13/17), At approx. 3:10pm, complainant reported to Security, that he believes that his listed auto, had been struck, while parked in the Tech Center parking lot, located at the center of the lot, facing North. Complainant stated that he observed damage to the left front wheel well.

Complainant stated that he was in class at the Tech center between 1:00pm and 3:00pm, and discovered the damage, after class was finished. The officer observed the damage to be minor damage, with a slight dent to the left front fender, just above the wheel well. The officer advised complainant to contact the Sheriff's Office, in regards to making a complaint with them, for insurance purposes. The officer has nothing further at this time.
