On 07/18/17, also a Tuesday, a custodian was setting up Quad Room 260 LZB when he came across a second drawing, much like the first. In this case the Sharpie again was used. No witnesses or suspects have been located as of this report writing. The director of campus planning and facilities took photos of this incident and Security has increased patrols in the area. The custodial staff was able to remove the marker in both incidences.
