Narrative:

The two listed location have been the target of the theft of toilet paper. In all incidents the rolls were removed from dispenser, after they had been filled.

The maintenance custodian who is assigned to maintain the two restrooms first discovered the paper missing on Tuesday (01/20/15). He contacted his supervisor (complainant*) shortly after 6am. The locations were given as Men's Restroom in the north hallway of CTC, two rolls, and one roll from Restroom in the LZB Men's.

The complainant, while making this report wished to add two more full rolls taken sometime prior to 5:00am, on this date. This latest larceny taking place in the CTC, same Men's restroom. The complainant est. the total loss at over \$30.No damage to any of the restrooms or dispensers have been found as yet.

This officer checked the locations off and on during my shift, finding no one in either restroom. Patrols will be stepped up in the area.

No suspect given as of this report writing. REPORT MADE
