Narrative:

A theft of property from the Hurd Road welding site came to our attention in memo form within the last few days. The theft was believed to have occurred around October 03, 2014 - more than likely while class was in session. The listed items below were removed.

1. Two sets of grounding and electrode holders (lead)
2. Two spools of mig welding wire
3. microwave oven (brand name not given)
4. coffee pot

The value of property taken exceeds \$100.
