Narrative:

Vending Machine #97271

Owner= Continental, Sterling Heights, Mi. 48310 tx- (800)404-7171

While on routine patrol Officer ran into employee in the La-Z-Boy Center and she advised that someone had placed two of the New Testament Bibles that were being given away at a recent college event into the above listed vending machine in the vending area of Z.

Officer observed the bibles to be side by side in front of the snacks in the upper right hand corner slots of the machine. The glass panel in front of that corner was loose, but it was a very narrow gap and would have taken a bit of work to position the bibles. There is no obvious damage to the machine, possibly a missing clip for the glass panel. Unknown time frame for the mischief.

The machine number and contact information are on the front of the machine, so Officer contacted Continental and advised them of the incident. Pictures are on the security phone for now. Unknown time frame for the mischief.

The director of purchasing and auxiliary services has been advised.
