Incident: R.O. Huff was advised by Officer Myers that Brown was in the main office of the CTC. Upon arriving ASET Admin Assist. advised that Brown had left. ASET Admin Assist. was upset and advised that Brown was scary, due to his constant ramblings and unsettling behavior. Faculty member stated the same as ASET Admin Assist. Faculty member advised Brown was off the wall and was out there. ASET Admin Assist. advised that Brown used vulgar language when leaving, as Brown was angry. Brown had already left the office upon R.O. arriving. R.O. Huff checked lot 2 and the Life Science buildings for Brown and was UTL. R.O. Huff then walked back to the Admin. Building and was summoned by Admissions Admin Assist. from MCCC Registration, that Brown had been at Registration and was headed to the Financial Aid Office. R.O. Huff was also advised that Brown was at the Cashiers Office and both cashiers were fearful of Brown. R.O. encountered Brown at the Financial Aid office as he spoke with Financial Aid Director. Brown's conversation with Financial Aid Director was stressed and Brown seemed angry. Financial Aid Director had to explain issues over and over to Brown who made statements that sometime did not make sense or were even related to the subject he was speaking to Financial Aid Director about. R.O. Huff asked to speak with Brown outside the office. Once outside the office R.O. Huff asked for Brown's I.D. Brown asked of R.O. Huff, if he was armed, R.O. Huff advised he was armed. Brown then stated you must be retired or have a CCW. R.O. Huff asked Brown to walk to the Security office. Brown then told R.O. that he shot Jesus Christ and that he had knives and rope. Brown continued talking but R.O. could not hear what he was stating. R.O. Huff entered the office and told Brown to stay in the hallway. Brown wanted the interview taped. R.O. told Brown to stay in the hallway as there were people in the hallway and they could see him and witness Brown speaking with R.O. Also Molly's and Anne's doors were open and may hear the conversation. R.O. wrote down Brown's information. Brown told R.O. that he had been to Judge Arnold's courtroom. Brown would not tell R.O. why he was there and that it was private, which R.O. agreed.

R.O. Huff then advised Brown he was to leave the campus and not return, and if he did return he would be prosecuted for Trespassing. Brown then became angry and used vulgar language, while leaving. R.O. Huff followed Brown to his car. Brown was driving a new Ford Focus, black in color. MI Reg.

R.O. Huff then spoke with staff and advised that if Brown returned to call MCCC Security. R.O. then advised R. Daniels of this incident.
