Narrative:

COMPLAINANT -

STOLEN - Indian colored Purse, with brown trim (Gray, red, blue)

MISSING - Car keys, Wallet containing \$350.00 in cash, A Student loan check for \$1,065.00, Debit card and various papers.

REPORT - On this date, the reporting officer spoke with victim, who stated that at approx. 12:20 pm, she was outside class room #6, sitting on the bench, and then went into class. At approx. 1:50 pm, when class was over, she realized that she did not have her purse. Victim told the officer that she remembers, when she sat down on the bench before class, she set it down on the floor, and believes that is where she left it.

Upon returning to the bench, victim said that the purse was not there, and she said that she checked with everyone that she could, including office people, but no one had seen the purse. The officer advised her to go to Student Loans and have them cancel the check, which she said that she already did. The officer advised her that he would keep looking for the purse. The officer spoke with Vice President, Dr. Randy Daniels, who told the officer that all the trash cans have been checked in C Building, and West Tech, and that he was on his way to check East Tech. The officer advised that he would check outside of the buildings and grounds. Victim was also advised to make a complaint with the Monroe County Sheriff's office. The officer has nothing further at this time.
