Narrative:

On today's date R/o was contacted by victim to report an accident in the parking lot near the Library/Campbell building (#7). Victim reported that the offending vehicle had left after providing a phone number for future contact. The offending driver was a classmate from a shared class that had just ended.

The victim stated that he was getting ready to pull out from his parking space, which he had backed into, and after a separate vehicle passed his location he pulled out and the suspect's vehicle then backed out of the space across from his and the two vehicles collided in the travel lane. Victim's vehicle sustained minor damage to the passenger side front bumper and the suspect's vehicle sustained minor damage to the rear bumper. No injuries reported.

Case Status: Closed
