INFORMATION:

Upward Bound employees/witnesses came to the Security Office at 3:00pm on today's date (7/26/18). They advised R/O (Reporting Officer), that they had been asking students about the Malicious Destruction of Property (Damage to the whiteboard in room L-201) and came up with the above listed possible suspects. Witnesses said multiple students were telling them that they heard suspect #1 was the one who wrote the graffiti on the whiteboard. They said they spoke with suspect and she denied any involvement. Suspect did advise that she was in room L-201 between 2pm and 3pm on 7/25/18 skipping class with Suspect #2 and Suspect #3, but did not see anyone damage the whiteboard. Suspect #2 and 3 were also questioned and both admitted to skipping class with Suspect #1, but denied any involvement and also stated they did not see Suspect #1 write any graffiti on the whiteboard.

Upward Bound employees advised they did not have all the personal information on the three above listed suspects, but could obtain it if needed.

STATUS:
