This is a supplement to R.O. Sieg's report dated 092115.

Incident: At approx. 5:30 pm this date R.O. Huff was advised by MCCC Switchboard operator to respond to the listed location, concerning a situation. R.O. Sieg had already briefed R.O. Huff concerning this incident.

Upon arriving R.O. Huff observed Witness 1, Witness 2 and Subject 2, along with another unknown female, in the hallway outside of W157. There was a conversation about Subject 2's phone.

Subject 2 was inquiring about where her phone was. Upon learning where her phone may be, Subject 2 left w/ the other unknown female. R.O. Huff walked out of West Tech. & spoke with Subject 2. R.O. Huff asked for Subject 2's and Subject 1's name and address. When asked what their phone numbers were, Subject 2 advised she did not have one and did not know Subject 1's phone number. R.O. Huff stated to Subject 2, you live with Subject 1 and do not know his phone number? Subject 2 advised she could not remember his phone number. At this point R.O. Huff did not question Subject 2 any further about her own phone number. Subject 2 asked what this was about and R.O. Huff advised there was a report made concerning her. Subject 2 continually asked what the report was about.

R.O. asked if Subject 2 and Subject 1 were registered students and Subject 2 advised no, not this semester. Subject 2 advised she has been a student in the past and plays in the band.

R.O. Huff then advised Subject 2 that if they were not registered students that they were not to be using MCCC facilities. Subject 2 questioned R.O. Huff about her activity in the band, R.O. Huff advised Subject 2 this was fine, but if she is not a registered student then the MCCC facilities could not be used.

In speaking with Witness 2, it appears that Subject 1 may not of advised Subject 2 the location of Subject 2's phone. Both witness Witness 1 and complainant Witness 2 find this whole incident unusual and suspicious. Witness 2 requests that officers be present at closing at 9:00pm. R.O. Sieg also advised this officer to be present at W 157 upon closing. R.O. Huff will pass this along to other officers.

Staus; Closed R.O. Huff advised Subject 2 that Subject 1 is not to be using MCCC college facilities.
