

MONROE COUNTY COMMUNITY COLLEGE COMPUTER SKILLS COMPETENCY ASSESSMENT APPLICATION

The General Education requirements for earning an Associate Degree from Monroe County Community College (effective with the 2002-03 catalog) include computer skills. By successfully completing the Computer Skills Competency Assessment (**CSCA**), a student will have demonstrated the minimum competency required. Students who meet the computer skills requirement by achieving a satisfactory score on the **CSCA** do not receive academic credit and may need to earn additional credit to meet degree requirements. Also, achieving a satisfactory score on this assessment is not to be considered as fulfilling any prerequisite required for more advanced courses in the CIS area.

- Students are limited to one attempt per semester or term (fall, winter, summer)
- A photo ID must be presented at the time you wish to attempt the assessment.
- Appointments for the CSCA can be made by contacting 734-384-4255.
- Students must have met with an advisor or counselor and have that person's signature to take this assessment.
- Please read the CSCA Information Form at <https://www.monroecc.edu/computer-skills-competency-assessment>

please print....

Student Name _____ **Student MCCC ID#** _____
Advisor/Counselor Signature _____

To be completed by Technician:

Technician Signature _____ **Date of Assessment** _____

Score – Concepts = _____ **Satisfactory Score = 75%** **Score – Application =** _____ **Satisfactory Score = 75%**
Minimum Required Competency Level Achieved? Yes _____ **No** _____

Minimum competency level must be achieved on both sections of the assessment.
