FIND YOUR PATH.

A pathway for **every dreamer.**

Explore on your terms.

Every passion has a pathway. Monroe County Community College helps you to explore your passions and find the future that's right for you. With our wide range of degree, certification and ongoing education programs, low-cost tuition, campus community, clubs and activities, MCCC is a safe place to explore, network and uncover your pathway to a future with purpose.

We'll work with you directly to make sure you have the tools you need to set your dreams in motion and build a life filled with value, without all the accompanying debt.

The right place for YOU.

So, whether you're coming to MCCC for dual enrollment classes, are graduating from high school and stepping out into what's next, transferring from another college or looking at changing your career trajectory as an adult student, you've found the right place. We're ready to help you make your dreams a reality.

Let us know if you need anything along the way, or if you have questions!

Just the **facts.**

Want the skinny on MCCC? Here are some tidbits of info about who we are and what we do.

The Community's College

MCCC is a public, two-year institution supported by tax monies from Monroe County, educational funds from the state of Michigan and student tuition. The Monroe County Community College District was formed in 1964 by the electors of Monroe County. Back then, MCCC brought something to Monroe County that had not existed before – the opportunity to obtain a college education locally.

Since its founding, nearly everything has changed – the things that concern us, what we talk about, our lifestyles, styles in general, what makes headlines, what doesn't. Our place in time is moving so rapidly that we often don't stop to think about how far we have come and where we are headed. In viewing our journey so far – through all the changes – Monroe County Community College has remained a constant within the community, evolving with the times to adapt to changing needs and continuing a record of excellence and service.

High-quality Instruction at an Affordable Price

Tuition at MCCC is about a third of the cost of a public university and the lowest in the region for in-district students. And through two State of Michigan programs, many in-district students may qualify to attend MCCC **tuition-free**.

Transfer

MCCC has pre-approved transfer options to about 20 university partners, so students can go on to get that bachelor's degree.

Areas of Study

- Associate Degree Programs: 64: 67
- Certificates: 38

Highly-qualified Faculty

- Full-time faculty members with a master's degree or higher: about 96 percent
- Nearly 40 percent of full-time faculty members have doctoral degrees.

"In short, Monroe County Community College is your college, Mr. and Mrs. Citizen. You created it, you support it, you use it. That's why we're here, and that's why we operate with you in mind."

– Dr. Ronald Campbell, MCCC's First President

Just the **facts.**

Enrollment

MCCC's credit enrollment is about 2,800 students. More than 1 in 6 local high school graduates choose MCCC each year.

State-of-the Art, Student-focused Facilities

- **2025-2027:** Renovation and expansion of the Gerald Welch Health Education Building into the Welch Center for Health and Public Safety.
- **2022:** Campbell Academic Center – home to the MCCC Library, John Holladay Theater, and various classrooms and offices – was renovated and expanded.
- **2021:** Student classroom spaces and lecture halls in the Life Sciences Building were renovated.
- **2020:** Founders Hall – which houses a Student Success Center, collaboration spaces, classrooms, labs and offices – opened.

Excellence: A Core Value

Excellence is at the heart of everything we do at MCCC. It is one of the core values that guide our attitudes and behavior. We offer rigorous, high-quality, relevant, innovative and responsive educational opportunities and services to meet the needs of our students and community.

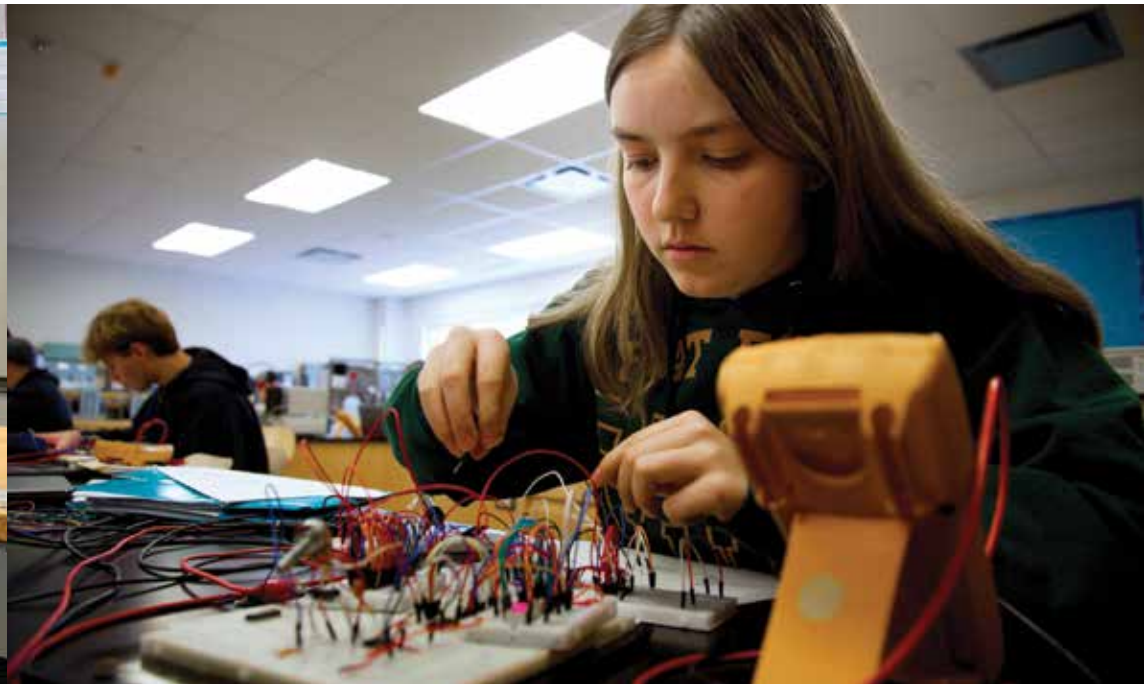

Sustainability

From recycling to energy conservation to solar power and more, MCCC is highly engaged in sustainable practices. Our official college color may be cardinal, but we sure do like to be green!

Impact

- MCCC has awarded about 20,000 degrees and certificates since it was established in 1964.
- The average MCCC associate degree graduate earns $10,000 more per year than they would with a high school diploma in Michigan. (Lightcast 2023)
- MCCC is ranked in the top 8% of Community Colleges in the nation. (WalletHub 2026).

Supporting you on your **academic journey.**

At MCCC, our students receive high-quality instruction. Our full-time faculty members are well-respected and highly knowledgeable in their field. About 96 percent have a master's degree or higher in what they teach, and nearly 40 percent have doctoral degrees.

And, our faculty's true passion is teaching. They do not perform research while their courses are taught by graduate students, as can often be the case at big universities. MCCC faculty members are accessible and very responsive to student needs; they offer personal instruction in small classroom settings. In addition to all the one-on-one attention our students receive from their instructors, they enjoy the benefits of a full array of academic support services and resources.

MCCC faculty members are accessible and very responsive to student needs; they offer personal instruction in small classroom settings.

Supporting you.

Academic and Career Counseling

MCCC's professional advisors and counseling staff will help you develop your career goals and plan your higher education path to achieve those goals.

Student Success Services

Our student success professionals assist students with both broad and specialized learning needs. Most of these services are available under one roof in the Student Success Center, located in Founders Hall.

Student Success Coaches

Student success coaches work with students to help them identify and utilize their strengths, empowering them to succeed and accomplish their academic goals.

Tutoring and Learning Assistance

Tutoring and learning assistance services are provided free to registered MCCC students. You can get help in a wide variety of subject areas.

Supplemental Instruction

Supplemental instruction uses peer-assisted study sessions to enhance student success in historically difficult courses at MCCC.

The Writing Center

Writing Fellows can assist students with all stages of the writing process from pre-writing to revision and editing.

Disability Services

The Disability Services Office coordinates accommodations for persons with documented disabilities who are enrolled in classes or attend college-sponsored programs and events.

Mental Health Screenings and Referrals

MCCC partners with the Monroe Community Mental Health Authority to provide mental health screenings and referrals to students.

Testing Center

MCCC's Testing Center is a quiet and secure place for prospective students, current students and the surrounding community to take a variety of tests.

Library

The MCCC Library supports students, faculty, staff and community members by teaching users how to find and evaluate information, providing access to millions of online and print resources, and assisting with research.

Employment Services

The Office of Workforce Development offers free job search assistance to MCCC students, alumni and the community.

A student-focused **learning environment.**

MCCC offers sustainable, innovative and technologically advanced facilities that result in a top-notch learning environment for students.

The 210-acre Main Campus is centrally located in Monroe County with easy access to Detroit and Toledo. It is situated in a picturesque setting on South Raisinville Road in Monroe Township, and the campus buildings are related to one another by an attractively landscaped center mall. Each building is both functionally and aesthetically designed.

Campbell Academic Center

Named for MCCC's first president, Dr. Ronald Campbell, the Campbell Academic Center was renovated and expanded in 2022 and is the focal point of the campus. This two-story building contains classrooms, faculty offices, the library and a small theater.

Career Technology Center

The 60,000-square-foot Career Technology Center houses programs related to applied sciences and engineering technology curricula. It provides infrastructure to support state-of-the-art classrooms and lab space required to deliver instruction and skills necessary to secure high-growth, high-demand and high-paying jobs.

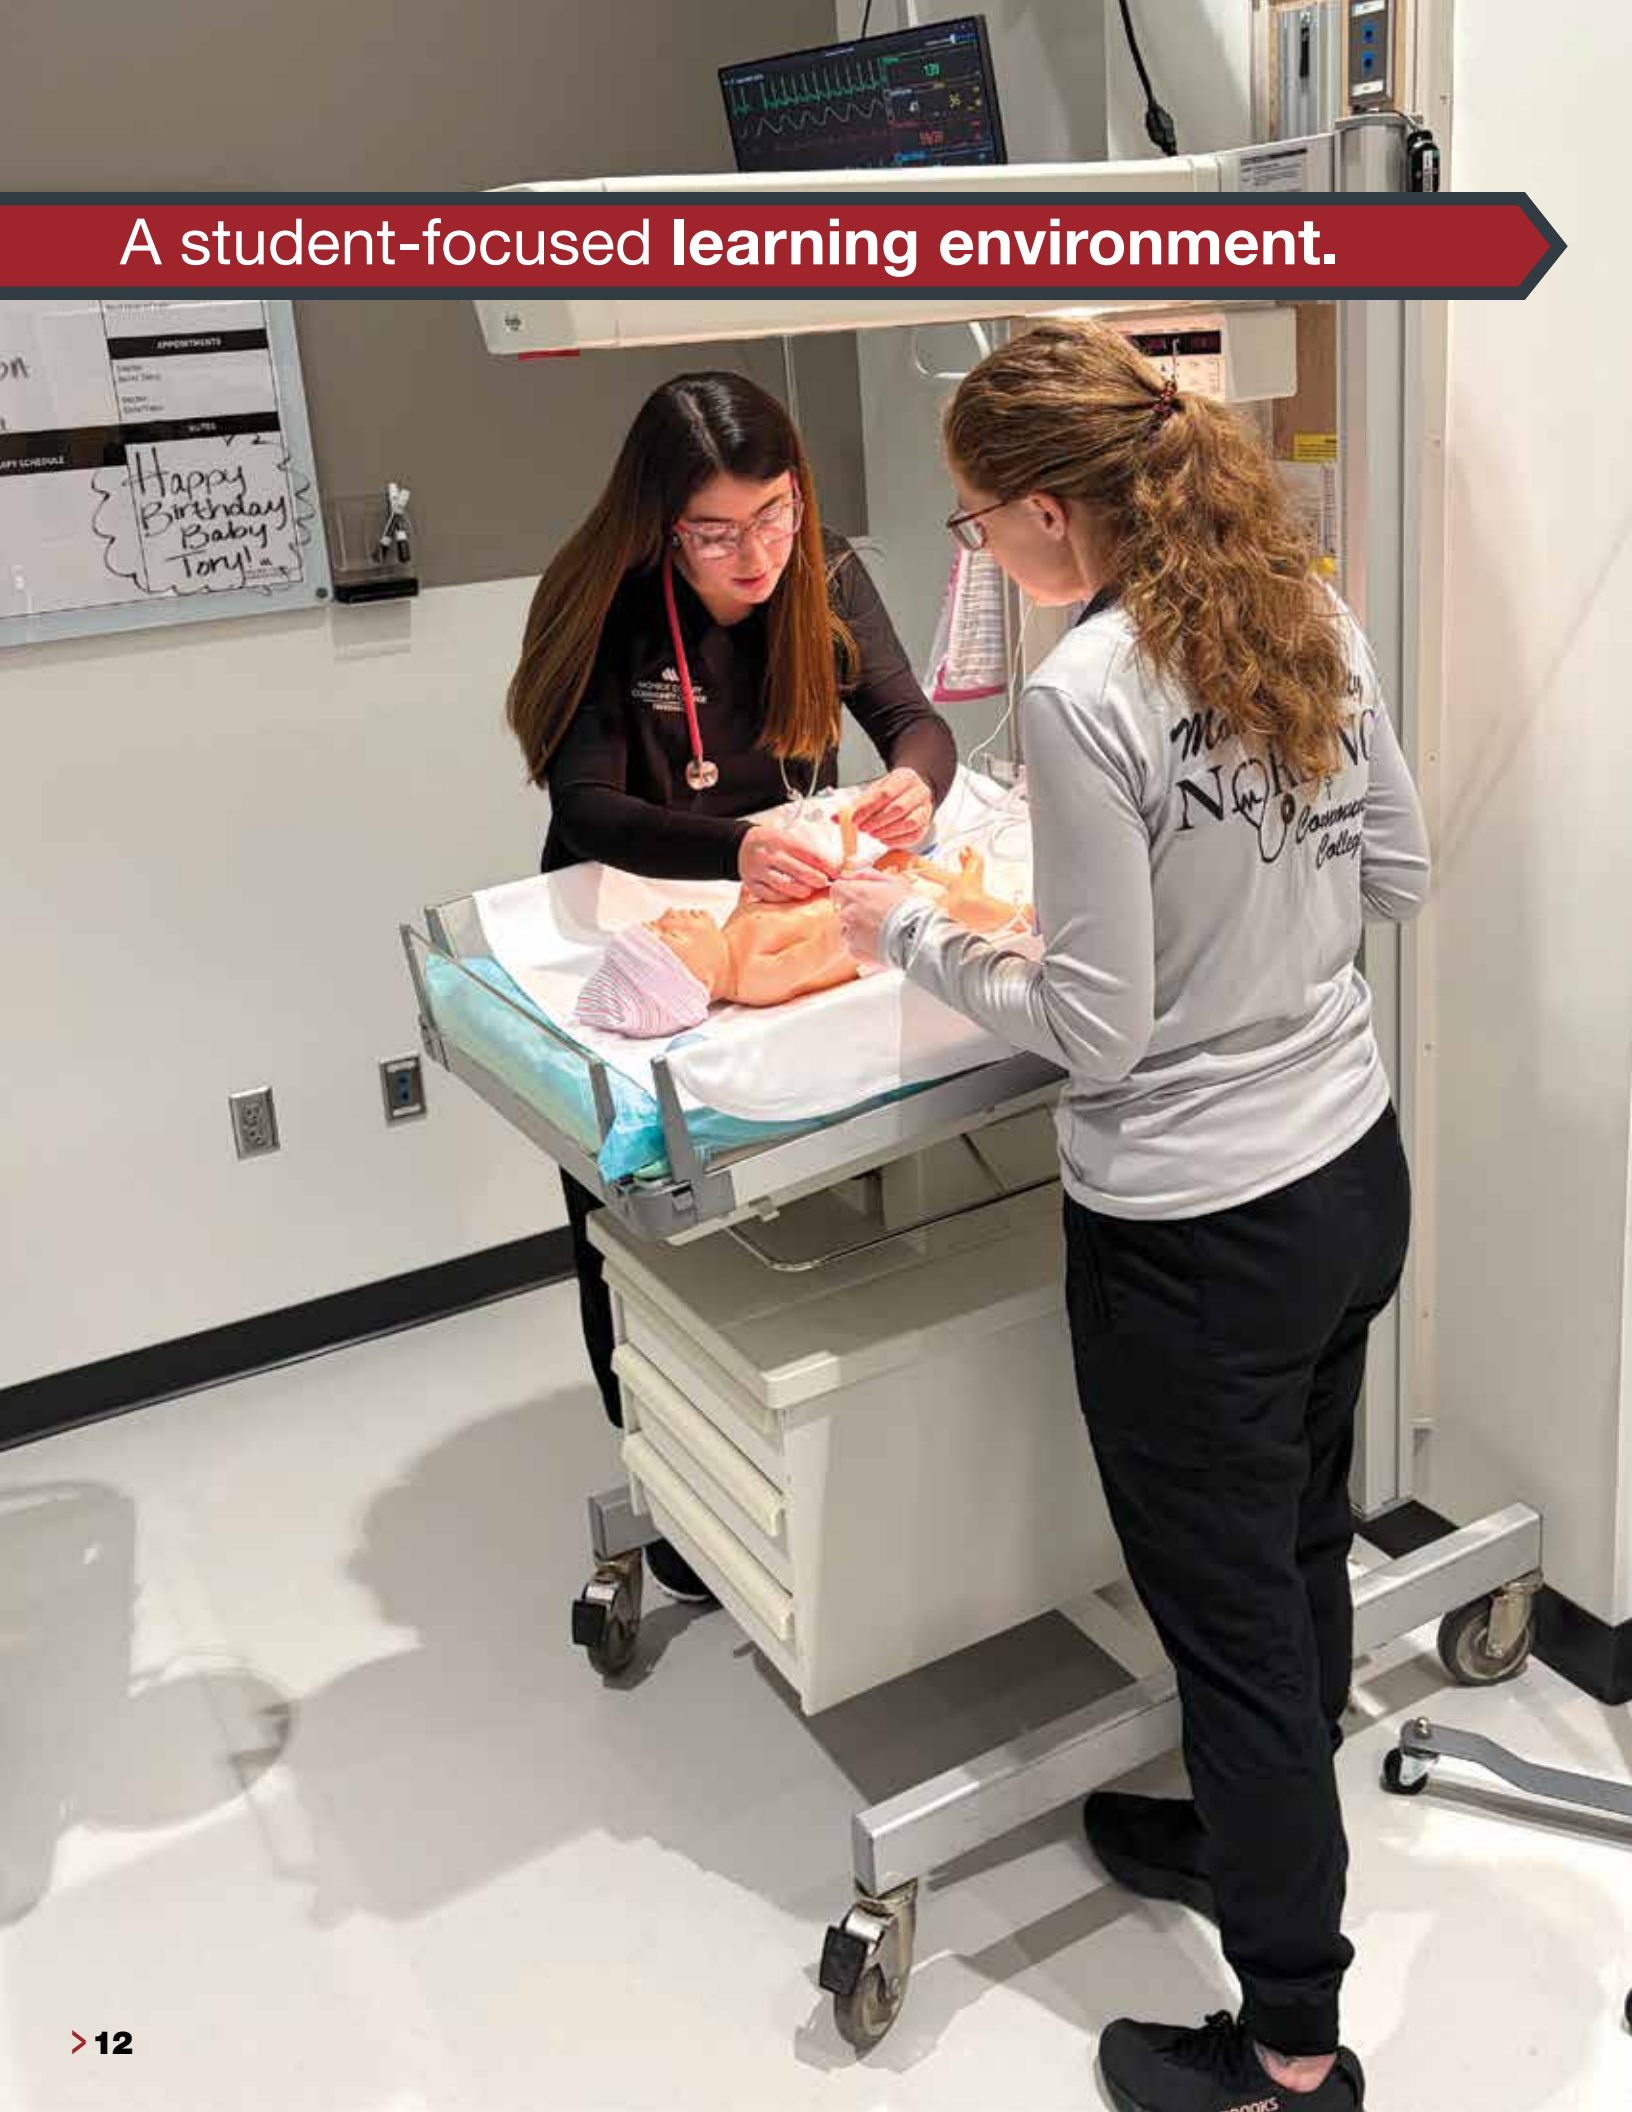

MCCC
1964
Huskies

A student-focused **learning environment.**

Founders Hall

Founders Hall opened in 2020 and was designed with student success in mind, featuring state-of-the-art learning environments and enhanced student services. It is home to the Student Success Center, where students can access Tutoring and Learning Assistance services, Disability Services, the Testing Center, and Mental Health Screening and Referral services. It features multiple small group study rooms and collaborative seating areas, state-of-the-art classrooms, a large open computer space, open tutoring space and more. Founders Hall is also home to the college's Business, Computer Information Systems, Graphic Design, Digital Media and Marketing Communications, and Art programs.

La-Z-Boy Center

The La-Z-Boy Center provides exciting opportunities for students and the community and is flexible enough to respond to three equally important needs – cultural arts programming, customized training for business and industry, and unparalleled space for community activities and conferences. The 550-seat Meyer Theater within the La-Z-Boy Center permits for a broad range of performances that require high-end lighting, sound production, set design and staging.

A student-focused **learning environment.**

Life Sciences Building

The Life Sciences Building houses programs, laboratories, classrooms and offices related to the physical and natural sciences. It is also home to the college's Early Childhood Education and Elementary Education programs. The building also contains two small, auditorium-type lecture halls and a climate-controlled greenhouse. A 2,500-square foot student collaborative space was recently added to the facility for individual and group study.

Warrick Student Center

The Warrick Student Center houses administrative offices, dining facilities, a student lounge and recreation area, the MCCC Campus Store, Safe Space/Multicultural Room, community-use conference rooms also used as classrooms, culinary arts classrooms and a beautiful courtyard. The Admissions Office and Student Government are also located in this facility.

Welch Health Education Building

Named for MCCC's second president, the Gerald Welch Health Education Building houses the Practical Nursing, Registered Nursing, PN to RN and Respiratory Therapy programs and laboratories. It also is home to MCCC Radiography Program and health and physical education courses. The facility also features a large multi-purpose room/gymnasium, dance-aerobics room and the Fitness Center. It is currently being renovated and expanded into the new Welch Center for Health and Public Safety.

The Whitman Center at MCCC-Bedford

MCCC's Whitman Center, located on Lewis Avenue in Bedford Township, exemplifies the community service commitment of the college. For credit programming, part-time counselors are available at the Whitman Center for advising purposes during scheduled hours and as needed, and all other student services offered on Main Campus are accessible remotely. Accommodations for those with disabilities are made at Whitman Center through the MCCC Disability Services Office, as needed. MCCC's Emergency Medical Technician and Paramedic programs are offered there. Personal enrichment courses and career/workforce training sessions are offered at the center. The center is available for public use by reservation. MCCC is actively working with area residents and businesses in planning and implementing additional uses for the Whitman Center.

Accessible, responsive and **flexible.**

From counselors, faculty, staff and services that are there when you need them to convenient locations and learning options, low tuition and financial aid opportunities, MCCC strives to make higher education accessible to everyone.

Online and Blended Learning

MCCC offers classes where and when you need them, including on-site, online in an entirely Web-based format and blended classes with a significant amount of Web-based instruction and some classroom instruction.

Low Tuition

You'll find the tuition at MCCC to be among the lowest in the region and the state. And, for Monroe County residents, MCCC's in-district tuition rate is about one-third that of most four-year public colleges and universities. Through two State of Michigan programs, many in-district student may qualify to attend MCCC **tuition-free**.

Financial Aid

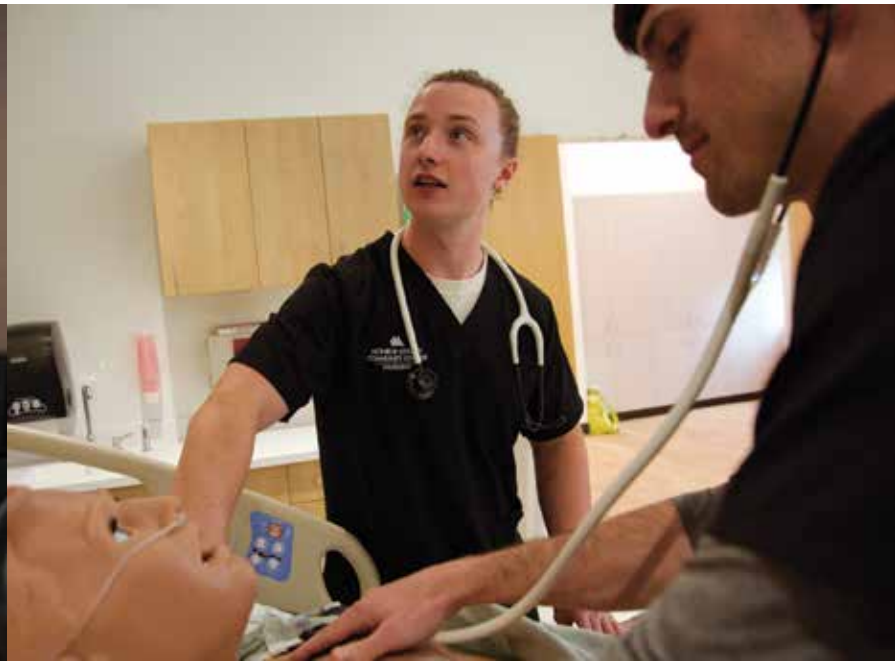

More than half of all MCCC students receive some form of financial aid from federal and state grants, loans and work-study programs.

Scholarships

About $325,000 in scholarships are available annually to MCCC students through The Foundation at MCCC. You can quickly and easily apply online to be considered for nearly 200 scholarships at www.monroeccc.edu/scholarships.

Monroe County Community College has the programs you need to advance your education. Your future. Your life. Whether you plan to go straight to the workforce or continue your education at a four-year college or university, you'll find an academic path that fits your goals at MCCC.

Academic pathways. **Find your path.**

At Monroe County Community College, every passion has a pathway. We help you explore your passions and find the future that's right for you by offering credit courses across a wide range of disciplines through numerous academic pathways.

These pathways provide clusters of academic programs with similar interests, requirements, content or orientation – some carrying their own professional or academic accreditation.

Want to enhance your academic experience? MCCC's Band and Chorale, Honors Program, Global Studies Degree Designation, Study Abroad and Phi Theta Kappa are great ways to do just that.

Academic and student life.

Enhancing the Academic Experience

Band/Choir/Orchestra

Each year, 10 performing music scholarships are awarded by MCCC. The Monroe College-Community Symphony Band, Agora Chorale and Orchestra are made up of students and citizens from the community. They perform multiple times each year as well as at Commencement.

Global Studies Degree Designation

The Global Studies Degree Designation is an opportunity for you to gain knowledge about global issues and multicultural influences while you earn any MCCC degree.

Honors Program

MCCC's Honors Program provides high-achieving and highly motivated students with opportunities for service leadership, community-based civic-engagement and advanced academic scholarship.

Literary and Fine Arts Magazine

Images is an annual publication of poetry, prose and art. Although most of the work chosen for publication comes from art classes and our creative writing course, this magazine welcomes submissions from all students.

Phi Theta Kappa Honors Society

Phi Theta Kappa is an international honor society for two-year colleges. Membership in Phi Theta Kappa is by invitation to all students who achieve a cumulative grade point average of 3.5 and have earned at least 12 semester hours at MCCC.

Student Media

Often the recipient of state awards, the Agora student newspaper and website reports on school events and other issues of interest to the college community.

Study Abroad

Students and community members can participate in MCCC's Study Abroad Program. Previous trips took participants to Spain, Western Europe, Southeast Asia, Central Europe, Italy, Austria, Hungary, Poland and the Czech Republic. Participants can take courses and earn credit as part of the trip.

Academic and student life.

Student Life

Art Collection and Visiting Artists

Our students enjoy visiting the vast MCCC Art Collection housed throughout campus, which has grown mostly through donations by our visiting artists.

Be a Husky!

Recently, MCCC reintroduced its mascot, the Husky, which had not been used since the late 1970s when the college fielded intercollegiate athletics. The return has been a big success; now, it's difficult to walk the campus without spotting someone in Husky spirit wear.

Clubs and Organizations

If you have an interest, there is probably a student organization or club at MCCC that shares it! Here's a list of them:

- Agora Chorale
- The Agora Student Newspaper
- MCCC Student Ambassador Club
- Art Club
- Ballroom Dance Club
- MCCC Care Closet
- MCCC Christ-centered Community
- College-Community Orchestra
- College-Community Symphony Band
- Criminal Justice Club
- Drama Club
- Farm Bureau Club
- Gender and Sexuality Alliance
- Intramural Sports Club
- Multicultural Student Association
- Phi Theta Kappa (the international honors society of two-year colleges)
- Psychology Interest Group
- Respiratory Therapy Student Organization
- MCCC Student Government
- Student Library Advisory Club
- Student Nurse Association
- Turning Point USA at MCCC

Looking for enrichment beyond the classroom? MCCC has you covered with plenty of activities like clubs and organizations, a modern fitness center, literary magazine, student newspaper, fun events and concerts, and so much more.

Academic and student life.

Community/Campus Involvement

Through their involvement and volunteerism, MCCC students make a difference on campus and in the community. You can join them! It's all about taking time to help others, exercising your voice and teaching others how to do the same. MCCC's students are offered plenty of such opportunities through Student Government and other official student clubs and organizations.

Culture and Current Affairs Speakers

Throughout the year, MCCC faculty, staff, students, alumni and community members with expertise in specific areas speak on a variety of cultural, political or social topics of importance and interest.

Dining

Husky Micro Market includes multiple coolers featuring a wide variety of food and beverage items. Michigan-made items are highlighted. Also available are a specialized coffee machine, a wide variety of snacks and several microwaves.

Dance

MCCC's Destination Dance School is a noncredit opportunity for MCCC students and community members to participate in quality and life-enriching instruction in tap, jazz, ballet, modern, theater dance and ballroom.

Entertainment and Events

Each academic year, MCCC hosts a series of comedic, musical and theatrical performances, visiting artists and other community events sure to quench the entertainment and cultural thirsts of the region. Many of the events take place at the La-Z-Boy Center, Meyer Theater, the college's state-of-the-art, 550-seat performing arts venue.

Fitness Center

With today's emphasis on health, wellness and exercise, the college offers expanded hours for participation in physical activities in a modern facility that is open to all MCCC students and staff free of charge.

Student Government

MCCC Student Government provides an opportunity for students to have their voice heard around the campus. By supporting student organizations and planning exciting campus activities, SG works to create a fun atmosphere that fosters a community feeling among students. Participation in these types of organizations and activities can be a great way to develop leadership skills and enhance the college experience.

Visit us, and **find your path.**

Get a feel for campus. Learn about all the opportunities MCCC has to offer by setting up a visit. We can even customize your experience so you see the parts of campus that are most relevant to you. Parents are welcome.
